Industrial Action

ALL members are advised that the 24 hour stop work meeting on Wednesday 30th April 6:30 am to Thursday 1st May 6:30 am will involve:

ALL ASU MEMBERS OF THE ERGON ENERGY TOWNSVILLE, and ROCKHAMPTON CONTROL CENTRES ONLY.

All other ASU members across other depot and office locations of Ergon Energy are to attend work as normal.

At this stage there are no other protected Industrial action bans or limitations in place for any other ASU members. Your Delegates will keep you informed about when the next action will take place.

The Australian Services Union will meet the minimum staffing requirements of 2 operators in each of the centres performing normal duties. We will also ensure we meet our obligations in regards to emergency situations.
