

ASU Members can earn higher interest with a Super Members Term Deposit

ME Bank was created to give members of industry super funds a better banking alternative. As a member of the ASU, you'll receive a higher interest rate on your term deposit account with the **Super Members Term Deposit**.

If you have \$1,000 or more to invest, the **Super Members Term Deposit** offers you up to 0.25% p.a. bonus interest on top of the standard interest rates available. For example, if the Standard Term Deposit rate for three months is 5.90% p.a. you'll earn 6.15% p.a. You can select a term from 1 to 24 months or you can choose your own term to coincide with a particular savings goal, such as:

- An overseas holiday payment;
- A home purchase settlement;
- A deposit for a special occasion such as a wedding.

ASU members are also eligible for the **Super Members Home Loan** which applies up to a 0.45% p.a. discount for the life of the loan. There is no application fee, no monthly account keeping fees, no fees to split or fix or top up the loan.

To ensure you receive your higher interest rate with the **Super Members Term Deposit**, you must indicate your ASU membership on the application form when you apply.
