Your Jetstar/Australian Services Union Agreement

Clarification has been requested by ASU members about roster changes inside 48 hours and the length of breaks between shifts. Below are the relevant clauses from the Jetstar/ASU Agreement.

14.2 Where a roster has been posted and the rostered commencing and finishing times of a Shift Worker are then altered by more than 30 minutes within any shift, at least forty eight hours' notice will be given, unless such notice is waived by mutual agreement between the Company and the Shift Worker. Should mutual agreement not be reached, and the Company alters the shift without 48 hours notice, then Clause 16.8 will apply.

16.8.7 An employee who works so much overtime between the termination of their ordinary duty on one day and the commencement of their ordinary work on the next day that they have not had at least ten consecutive hours off duty between those times will, subject to this clause, be released after completion of such overtime until they have had ten consecutive hours off duty without loss of pay for ordinary working time occurring during such absence.

16.8.8 If on the instruction of the Company, such an employee resumes or continues work without having had such ten consecutive hours off duty, they will be paid at double the ordinary hourly rate until they are released from such duty for such period and they will then be entitled to be absent until they have had ten consecutive hours off duty without loss of pay for ordinary working time occurring during the absence.

Please advise your local ASU Delegate Scot McGuire or ASU Organiser Lisa Marshall on 3252 866 ext 227, if you are not being paid correctly.
