Mater Reclassification Meetings

In your Mater Health Services Administrative, Operational, Engineering and Other Employees Enterprise Agreement 2009, there was a provision for a reclassification process to be developed for the following A02 groups:

- Switchboard
- Medical Records
- Ward Clerks
- Emergency Department

Documents have been drafted and your ASU representatives need to consult with members to gain feedback regarding the process. This feedback will be discussed with Mater Management. Your ASU representatives have also advocated for a hybrid system to be developed for employees that crosses duties between the targeted groups so they can apply.

Meetings have been set up for each of the groups and members are encouraged to attend to ensure you are included in the process.

These meetings are scheduled as follows:

This is imperative to ensure we achieve a fair and reasonable outcome in the reclassification process.
