## Oceania Ground-Handling Staff- More Time To Have Your Say!

**As you would all be aware the ASU has distributed, collected and now collated “Your Say” surveys which were used to develop the Log of Claims for staff at Oceania.**

We have now produced a Log of Claims to enable us to discuss the issues that are most important to you in the workplace at the time of negotiating your new workplace agreement with your employer, Oceania.

The ASU had written to Mr Gerry Bray and proposed the meeting day of the 30th March however this date did not suit the company. Your Organiser, Jenny Sleba has contacted Mr Bray with the following proposed dates of 31 Mar, 6 April and 8 April.

As yet Mr Bray has been unable to advise which date is most suitable, so the ASU will be contacting Mr Bray in the next week to secure a day and time.

This now gives us more time to ensure you have sighted and agreed to the Log of Claims. This can be done by ensuring that you see Jenny Sleba or an ASU representative during one of their visits to the airport and signing the voting document to endorse your ASU Log of Claims.

### Reminder

It is our strong recommendation that if you are provided with new documents to sign or are notified that a vote will be undertaken by the Company to determine your employment conditions, that you contact the ASU immediately on 07 3252 8666.

Oceania workers deserve a union collective agreement that provides for fair wages and fair conditions.

### It's not too late.....

If you haven't gotten around to joining the ASU ring 07 3252 8666 now to ensure that you are represented by the ASU or contact Jenny Sleba on 07 3252 8666 (ext 220)
